OBJECTIVE

Motivated software engineer with hands-on experience in .NET backend development and relational databases. Interested in optimizing services and building scalable applications. Looking to contribute to dynamic development teams by delivering clean, efficient code and robust solutions.

EXPERIENCE

Junior Software Engineer

Locobuzz Solutions Pvt. Ltd.

January 2025 - August 2025

Mumbai, Maharashtra

- Maintained and upgraded backend services handling social media data (Meta, Twitter, etc.), ensuring API compatibility and improving data accuracy by 30%.
- Migrated legacy .NET Framework services to .NET Core 8, enhancing performance and maintainability, reducing service response time by 20%.
- Optimized Twitter-related services by storing access tokens in the Redis cache, reducing database calls by 50% and significantly improving token retrieval speed.
- Tech Stack: C#, LINQ, .NET Core, .NET Framework, , REST APIs, SQL Server, Redis

Intern

BridgeLabz

August 2024 - December 2024

Mumbai, Maharashtra

- Gained hands-on experience in .NET (C#) fundamentals, including OOP, exception handling, and collections, and worked with SQL Server on T-SQL, joins, views, stored procedures, triggers, indexing, and query optimization.
- Applied concepts in building mini-projects like Address Book Management System and COVID-19 India Analysis.

PROJECTS

Address Book Management System: Implemented CRUD operations in C# using object-oriented principles and modular design. Added regex-based input validation to ensure data accuracy and maintain consistency across records. [Link](#)

Book Store Management System: Designed and optimized a relational database with entities for users, products, orders, and reviews. Implemented stored procedures, triggers, and indexes to ensure data integrity, track changes, and enhance performance. [Link](#)

SKILLS

C#, SQL, .NET Core, ASP.NET Core, Object-Oriented Programming, SQL Server, REST APIs, Data Structures, Git, SDLC

EDUCATION

Post Graduation Diploma in Advanced Computing,

MET's Institute of Information Technology C-DAC (ATC)

Percentage: 73.13

September 2023 - March 2024

Nashik, Maharashtra

BTech in Computer Science and Engineering,

Deogiri Institute of Engineering and Management Studies

CGPA: 7.63

August 2019 - July 2023

Chh. Sambhajanagar, Maharashtra

CERTIFICATION

NPTEL Online Certification in Introduction to Industry 4.0 and IIoT

Salesforce Developer Virtual Internship
